REPORT OF THE DIRECTORS FOR THE YEAR ENDED 31ST DECEMBER 2010

The directors present herewith the audited financial statements for the year ending 31st December 2010.

Principal Activity

The company was formed to promote self help development in Africa. The aim of the organisation is to help Africans to become self sufficient by means of long term development projects. The company achieves its objectives by working with and through local people, and using existing local resources.

Statement of Directors' Responsibilities for Financial Statements

The directors are responsible for preparing the annual report and the financial statements in accordance with applicable Irish law and Generally Accepted Accounting Practices in Ireland including the accounting standards issued by the Accounting Standards Board and promulgated by the Institute of Chartered Accountants in Ireland.

Irish company law requires that the directors prepare financial statements for each financial year, which give a true and fair view of the state of affairs of the company and group and of the income and expenditure of the group for that period. In preparing these statements, the directors are required to:

- Select suitable accounting policies and then apply them consistently,
- Make judgments and estimates that are reasonable and prudent and
- Prepare the financial statements on the going concern basis unless it is inappropriate to presume that the company and group will continue in business

The directors confirm that they have complied with the above requirements in preparing these financial statements.

The directors are responsible for keeping proper accounting records which disclose with reasonable accuracy at any time the financial position of the company and the group, and to enable them to ensure that the financial statements are prepared in accordance with accounting standards generally accepted in Ireland, and comply with the Companies Act, 1963 to 2009. They are also responsible for safeguarding the assets of the company, and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

Books and Accounting Records

The directors are responsible for ensuring that proper books and accounting records, as outlined in Section 202 of the Companies Act 1990 are kept by the company and the group. To achieve this, the directors have appointed a financial controller who reports to the board to ensure that the requirements of Section 202 are complied with. The books of account are located at the company's registered office at Self Help Africa, Annefield House, Dublin Road, Portlaoise, Co Laois.

Legal Status

Self Help Africa is a company incorporated under the Companies Act, 1963 to 2009, limited by guarantee and not having a share capital. The company is exempt from corporation tax. The objects of the company are charitable in nature with established charitable status (Charity No. 6663). All income is applied solely towards the promotion of the charitable objectives of the company.

REPORT OF THE DIRECTORS (CONTD.)

Results for the Year

The financial results for the year ended 31st December 2010 are as set out in the Statement of Financial Activities on page 32. There was a net decrease in funds of €700,731 in the year which is allocated €105,493 as unrestricted and €595,238 as restricted. The total unrestricted funds balance of €1,157,919 reflects a strong financial position for the organisation at year end.

Review of Activities and Future Developments

It is heartening to be able to report that the organisation has attained a considerable level of financial stability in the two years since the successful merger created Self Help Africa, and has achieved this at a time of considerable economic uncertainty and insecurity in the wider global economy.

During 2010 we forged valuable new funding partnerships with the European Union, and saw the commencement of major new programmes in both Ethiopia and Zambia as a result of that support.

2010 was the penultimate year of the Irish Government's multi-annual programme scheme (MAPS), in which Self Help Africa has been a participant since the inception of the programme in 2003. We received €2.8 million from MAPS in 2010, and are grateful for the continuing backing that we receive from Irish Aid under this scheme.

It was also the first full year of operations since the formal registration and attainment of charitable status for Self Help Africa Inc. in the United States. The Chairman joined our American colleagues and supporters for a very successful gala fundraising ball in Manhattan in November.

At a fundraising level, Self Help Africa performed strongly

in 2010. At a time of economic downturn we maintained funding levels across a number of different income streams, and actually grew significantly the backing we are receiving from trusts and foundations.

At organisational level Self Help Africa, work was almost completed during 2010 on a new strategic plan, which will guide the organisation for the next five years. We also strengthened our financial reporting and operational systems with the recruitment of Heads of Programmes and Heads of Finance in each of our African country offices, while in Ireland we appointed a Director of Policy & Strategy to our senior management team.

As the year drew to a close, the organisation was on the point of finalising a new five-year strategic plan – a document that will guide our future goals, objectives and direction for the period from 2011 onwards.

This plan succeeds the transitional three-year plan adopted by Self Help Africa at the time of the 2008 formal merger of Self Help Development International and Harvest Help, and will see a focus on viable livelihoods for small holder farmers, advocacy on their behalf and strengthening the organisation.

Self Help Africa is grateful for the work of many in making the achievements of the past year possible. Our staff, our partners, our donors, and our boards of directors and trustees have all played very valuable and important roles, and we are very grateful to each for their support and commitment.

REPORT OF THE DIRECTORS (CONTD.)

Reserves Policy

Self Help Africa has established and holds reserves sufficient that:

- If from time to time through unplanned circumstances there is a short term shortfall in expected revenue or increase in expected expenditure, there shall be sufficient liquid assets held that, if the board so decides, the organisation could meet any deficit arising from such an event from reserves.
- In the event a decision is taken to wind down the organisation there shall be sufficient readily accessible net assets such that this winding down can be made in an orderly fashion with the organisation meeting all its obligations, both domestic and programme, in a timely fashion.

The target level of reserves is currently set at six months of unrestricted expenditure. The organisation is currently in compliance with this target. The board monitors this target level (and compliance therewith) on an annual basis.

Risk Management

The directors have responsibility for, and are aware of the risks associated with the operating activities of Self Help Africa. They are confident that adequate systems of internal control are in place and that these controls provide reasonable assurance against such risks. Management have prepared a risk register which is subject to detailed half-yearly reviews by the board. The directors constantly review and adopt policies and procedures that are consistent with best practice and monitor the implementation of these policies through the Finance and Audit Committee (a sub-committee of the board). This committee meets on a regular

basis to review financial information and reports, internal and external audit findings, management information systems and internal control systems.

The internal control systems aim to ensure compliance with laws and policies, ensure efficient and effective use of Self Help Africa's resources, safeguard Self Help Africa's assets and maintain the integrity of financial information produced.

Financial information is subject to detailed review at director level allowing for continuous monitoring of Self Help Africa's operations and financial status. Each of Self Help Africa's field offices is subject to an annual statutory audit by independent external auditors.

The Programme Advisory Committee (a sub-committee of the board) provides oversight and technical advice and assistance to Self Help Africa's programme team to ensure operational risks are properly managed and that our work on the ground in Africa is carried out in manner that is consistent with best practice.

Health and Safety

The directors continue to ensure a safe work environment for employees as per the requirements of the Safety, Health and Welfare at Work Act 2005. Health and Safety policies and procedures are set out in the Self Help Africa Employee Handbook.

Important Events since the Year End

There were no important events affecting the organisation since the 31st December, 2010.

REPORT OF THE DIRECTORS (CONTD.)

Transactions Involving Directors

There were no contracts or arrangements, other than those disclosed in the notes to the financial statements, of any significance in relation to the business of the company in which the directors had any interest, as defined in the Companies Act 1990, during the year ended 31 December 2010.

Service on the board of Self Help Africa is undertaken in an entirely voluntary capacity by all board members. No remuneration or other expenses are paid to any board members or officers for their service.

g) Reserves Policy

The Group has established and holds reserves sufficient that:

- If from time to time through unplanned circumstances there is a short term shortfall in expected revenue or increase in expected expenditure, there shall be sufficient liquid assets held by the Group so that, if the Directors so decide, the Group could meet any deficit arising from such an event from reserves.
